- (b) The duration of the marriage.
- (c) The age and the physical and emotional condition of each party.
- (d) The financial resources of each party,
- (e) The earning capacities, educational levels, vocational skills, and employability of the parties and, when applicable, the time necessary for either party to acquire sufficient education or training to enable such party to find appropriate employment.
- (f) The contribution of each party to the marriage, including, but not limited to, services rendered in homemaking, child care, education, and career building of the other party.
- (g) The responsibilities each party will have with regard to any minor children they have in common.
- (h) Tax treatment and consequences
- (i) All sources of income available to either party,
- (j) Any other factor necessary to do equity and justice between the parties.

CHILD SUPPORT

$$2a + 2b = 1.37\pi b$$

$$y = \log_b(x)$$

$$x = b^y$$

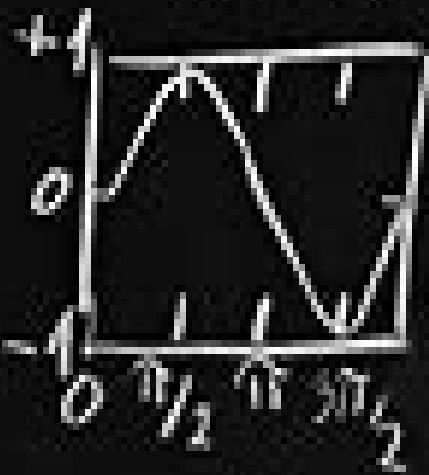

$$x^a x^b = x^{(a+b)}$$

$$x^a y^a = (xy)^a$$

$$\frac{c}{c^a}$$

$$y = mx + b$$

$$Ay^2 + Bxy + Cy^2 + Dx + Ey + f = 0$$

$$y = \sin(x)$$

$$x + 3 = 5$$

$$\sum_{i=1}^n 1 = n$$

$$(a+b)^2 = a^2 + 2ab + b^2$$

$$a^2 + b^2 = (a+b)^2 - 2ab$$

$$a \rightarrow \sqrt{16} a$$

$$\frac{a^2 C^3}{3T}$$

$$E = mc^2$$
