Re: Judge Sweet's 2010 Civil/Non-Jury Trial Assignment, *please note:*

Judge Sweet will hear all non-jury trial cases with the following exception:

Mortgage Foreclosures/Summary Judgment Hearings – All mortgage foreclosure hearings, through summary judgment, are to be heard before Circuit Judge Elizabeth Metzger. Please refer to Judge Metzger's procedures relating to these hearings.

If summary judgment is denied, and the matter is noticed for non-jury trial, then the case will be set for non-jury trial before Judge Sweet.

If you feel a case is incorrectly coded as a non-jury trial, you should immediately contact the clerk's office to confirm and correct the record if necessary.
